RE: STUDENT LOANS

Dear Erika:

As you already know this office represents your father Richard and at this time his health is declining. Based on the currant estrangement and severed nature of your relationship with your father, he is requesting removal of his name and responsibility from these debts. He has been contacted by your loan holders because the loans are in default. Below is the link to take his name off your loans and assume full responsibility for your finances.

Please feel free to contact this office with any questions or concerns.

Very truly yours,
GLANZBERG TOBIA LAW, P.C.
